

Privacy statement Centrum voor Leven en Intuïtie

Personal data we process – When you register for a module or course, we ask you to provide some personal data. Name, address, email address, telephone number, and whether you are over 20 years of age. We also process your participation in courses and workshops, your payment details, and your photo if you are going to take the reading course. The personal data is processed in Perfect View and Tribe, our student administration systems, in a secure environment. This information is confidential and only available to secretarial staff, teachers, and management. We do not retain your personal data for longer than is strictly necessary to achieve the purposes for which we requested your data, up to a maximum of 15 years.

Purpose of data processing – We use your data exclusively to provide you with the best possible service. This includes creating student lists for a module or course for the teacher, Sending our newsletter at your request, contacting you, informing you about the new agenda, issuing a certificate upon completion of a course, and providing advice regarding further study.

Viewing, modifying, or deleting data – You have the right to view, correct, or delete your personal data.

Sharing personal data with third parties – We provide your data to third parties if this is necessary for the execution of our agreement with you and to comply with a legal obligation. We enter into a processing agreement with companies that process your data on our behalf to ensure the same level of security and confidentiality of your data.

Website and cookies – The CLI does not use cookies on its website and does not use third-party cookies.

How we protect personal data – We take the protection of your data seriously and take appropriate measures to prevent misuse, loss, unauthorized access, unwanted disclosure, and unauthorized modification
